HANDICAPS

Check your current handicap before each golf competition. To retain an Australian handicap at the beginning of 2012, a member must have three (3) scores from 2011 recorded with the handicapper. Australian handicaps are required in all open competitions. Club handicaps may apply to club competitions.

Only members with Australian handicaps who are full financial members of Narooma Golf Club are eligible to win Board events, Perpetual Trophies, Club Championships, Monthly Medals, Single or 4 Ball K.O. events. Members must be fully financial at the commencement of each event. It is the player's responsibility to return all cards from other courses for handicapping.

ALLOTMENT OF HANDICAPS

To be entitled to a handicap a player must be a full financial Member of Narooma Golf Club. To obtain an Australian handicap a player shall submit three (3) cards to the Handicap Committee, two (2) of which must be played at Narooma. Each card must be verified by a player who holds an official handicap. Lady golfers need submit three (3) cards.

HANDICAP USE

STROKE, PAR and STABLEFORD: Full Handicap.

MATCH PLAY: Difference of Stroke Handicap.

FOURSOMES: Half of Aggregate Stroke Handicap. Players hit off alternate tees and play alternately with one ball.

AMERICAN FOURSOMES: 3/8 of Aggregate Stroke Handicap. Both players play from their tees, exchange balls and play a further shot before playing alternately with the favored ball.

FOUR BALL BEST BALL: Stroke Play (including both Par and Stableford). Full Handicap.

FOUR BALL MATCH PLAY: Reduce the handicap of all players by the handicap of the lowest, who will then play off scratch. The other three players are allowed all of the resulting handicaps.

AMBROSE: Played in teams. All players drive and then select the favored ball and all hit shots from the vicinity of the favored ball until holed out. Handicap 2 man 1/4, 3 man 1/6 and 4 man 1/8.
Note: Preferred lies through the green for all Ambrose events at Narooma.

CANADIAN FOURSOMES: 3/8 of Aggregate Stroke Handicap. Both players play from their tees, select the favored ball, play alternately until holed out.

ETIQUETTE OF GOLF

The lowest marker in each game is responsible for the observance of the etiquette of golf and the speed of play.

No one should move, talk, stand close behind the ball or the hole when a player is addressing the ball or making a stroke.

The player who has the honor should be allowed to play before his opponent or fellow competitor tees his ball, but not to the extent that it delays play.

No player shall play until the party in front is out of range.

A player who has incurred a penalty should indicate the fact to his opponent or marker as soon as possible.

Players while searching for a ball should allow other matches coming up to pass them; they should signal, should not continue their play until those players have passed and are out of range.

Having played out of a bunker, a player should carefully rake the bunker and return rake to marked area **outside of bunker**.

Players should ensure that any turf cut or displaced by them is replaced at once and pressed down and on the putting green any mark made by them is obliterated as far as possible after the players have holed out.

When the result of a hole has been determined, players should immediately leave the putting green and should not replay their putts or practice putting.
