Absolutely fantastic venue with amazing views. The staff were so friendly and helped make our day amazing. Julie was the best coordinator we could have asked for she had everything running smoothly and without any hassles. We highly recommend Narooma Golf Club.

Narooma golf club was an absolutely wonderful venue for our wedding. Even though we had the worst weather imaginable, Julie and her team ensured the inside of the club looked amazing for our ceremony. The food was amazing and we couldn't have asked for anything more. Would highly recommend Narooma golf club to anyone looking for a South coast wedding.

Narooma Golf Club is a really great place for a wedding reception. We had ours in the Bluewater room, and the view from up there was absolutely stunning. The food was amazing, and all of the staff were professional. The coordinator was really good with communicating, and running around to make sure she could do as much as she could to help me have what I wanted on the day, even when my requests were a bit out of the ordinary. On the day, I was freaking out a bit, and stressing, but it helped me to see that that

Easy going, great communication, took care of everything on the day, Julie allowed us to make changes right up until the end. Would recommend Narooma golf club to everyone! Only "issue" was not being allowed to use the golf carts for photos (for use on the green).

We had both our ceremony and reception here and could not have asked for a more perfect place to be married. All our wedding guests complemented how amazing the venue was and highly recommended the food. Staff and Chef went above and beyond to make our day perfect.

Beautiful location, gorgeous scenery as we had the scenery on the headland and we had whales frolicking in the background, great weather (mind you it was a little windy). Reception room was fantastic with views of the oceans. The wedding Coordinator waa fantastic, very helpful with trying to get everything perfect for our day

The most perfect wedding reception venue! Function rooms that cater for all group sizes. Our choice was the Bluewater room - stunning views of the golf course and the ocean, large dancefloor, big bar. The staff are super friendly and helpful! FANTASTIC VENUE ALL ROUND! We loved it!
